RADIO SHOWCASE

INTRODUCES THE

\$2.00

C A S S E T T E

In order to promote Old Time Radio collecting as a hobby, Radio Showcase, has reduced the price of 100 cassettes from our catalog of over 2500 60-minute and 90-minute tapes. These 100 cassettes are some of our most popular recordings and represent a wide variety of historical radio programing. No sacrifice in quality has been made in making this offer. Radio Showcase takes pride in using Agfa-Gevaert High-Dynamic, Low-Noise, High-Output tape in a premium American made 5-screw shell. All programs are recorded using state-of-the-art Otari stereo duplicators for superior fidelity and proper left-right channel balance.

Each cassette must pass a quality control test before it is put into stock. Radio Showcase guarantees the sound quality of each program as rated in our catalog. Besides the usual series title, program title, and broadcast date, the transcription source is also

listed as well as actor credits to help you in choosing programs. If you feel a recording is not as stated in the description, simply return it. Start saving money today by sending for your free copy of the Special Radio Showcase \$2.00 Cassette list, and new mini-catalog. OLD TIME RADIO NEVER SOUNDED BETTER.....

.....AND HAS NEVER BEEN PRICED LOWER!!!
